

THE ROB ROY WAY

Long distance walk from Drymen to Pitlochry

I-Net Support (official webmasters) and Walking Support (sponsors) jointly issue a completion certificate to all persons on presentation of a walker's log duly signed demonstrating the Way has been undertaken in a continuous walk.

To verify this, take the log to the locations detailed on the reverse and get them to sign and date the appropriate enter. On completion of the Way fill out the section below (in block capitals) and post the sheet to I-Net Support, 2 Wembley Terrace, Melrose, TD6 9QR and the certificate will be forwarded shortly thereafter (once the £5 charge has been paid).

Presentation of this log will also entitle you and a companion to a 10% reduction in the cost of Walking Support services in terms of planning and booking fees for a period of 1 year following the "date of completion".

Please complete the following details:
